

Project Outputs

2010

Presentations, conferences and workshops

Ellwood, J. (2010). *Developing Informal Inference at Level 6*. Workshop at the Bay of Plenty Mathematics Association Teachers Day, 22 November 2010.

Pfannkuch, M., Regan, M., & Wild, C. (2010). *Generalising from data*. Presentation at Getstats Week, Plymouth University, Plymouth, 22-27 October 2010.

Wild, C. (2010). *Early statistical inferences: "the eyes have it."* Presentation at Getstats Week, Plymouth University, Plymouth, 22-27 October 2010.

Pfannkuch, M., & Regan, M. (2010). *Engaging with Shape*. Workshop at Getstats Week, Plymouth University, Plymouth, 22-27 October 2010.

Pfannkuch, M., & Regan, M. (2010). *Making a claim*. Workshop at Getstats Week, Plymouth University, Plymouth, 22-27 October 2010.

Pfannkuch, M., Regan, M., & Wild, C. (2010). *Generalising from data*. Presentation at the Fourth International CensusAtSchool Workshop, Royal Statistical Society, London, 21 October 2010.

Wild, C. (2010). *Early statistical inferences: "the eyes have it."* Presentation at the Fourth International CensusAtSchool Workshop, Royal Statistical Society, London, 21 October 2010.

Pfannkuch, M., & Regan, M. (2010). *Engaging with Shape*. Workshop at the Fourth International CensusAtSchool Workshop, Royal Statistical Society, London, 21 October 2010.

Pfannkuch, M., & Regan, M. (2010). *Making a claim*. Workshop at the Fourth International CensusAtSchool Workshop, Royal Statistical Society, London, 21 October 2010.

Wild, C., Pfannkuch, M., Regan, M., & Horton, N. (2010). *Towards more accessible conceptions of statistical inference*. Paper presented by Chris Wild at the launch of the UK 10-year statistical literacy campaign, World Statistics Day, Royal Statistical Society, London, 20 October 2010.

Pfannkuch, M., Arnold, P., Wright, S., Florence, J., Ellwood, J., Smith, L. & McFarland, M. (2010). *Developing inferential reasoning: Stories from Statistics classes*. Presentation followed by Workshops at the Auckland Mathematical Association Statistics Teachers Day, 2 December 2010.

Pfannkuch, M. (2010). *Laying foundations for inference*. Mathematics Education Unit Seminar, University of Auckland, 1 October 2010

2009

Presentations, conferences and workshops

Pfannkuch, M. (2009). *Building students' inferential reasoning in statistics*: Research in progress. Mathematics Education Unit Seminar at The University of Auckland, 28 August 2009.

Pfannkuch, M., & Wild, C. (2009). *Building inferential reasoning in statistics*. Keynote presentation at the National Numeracy Conference, Auckland, 16-19 February 2009.
